DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

Request for Cancellation of Claims 7-32

Claims 1-6 are in allowable form, and it is requested that Applicants cancel withdrawn claims 7-32. It is noted that the restriction election was made with traverse, filed 3/5/03; however, Applicant's election did not distinctly and specifically point out the supposed errors in the restriction requirement, so the election was treated as an election without traverse (MPEP § 818.03(a)).

Sequence Compliance Issue

This application contains sequence disclosures that are encompassed by the definitions for nucleotide and/or amino acid sequences set forth in 37 CFR § 1.821 (a)(1) and (a)(2). See for example, Figure 4A. However, this application fails to comply with the requirements of 37 CFR § 1.821 through 1.825, because it lacks a paper copy, computer readable form, or CD-ROM and SEQ ID Nos cited along with each sequence in Figure 4A. Applicants are also reminded that SEQ ID Nos are not required in Figures per se, however, the corresponding SEQ ID Nos then are required in the Brief Description of the Drawings section in the specification. Applicants are also reminded that a CD-ROM sequence listing submission may replace the paper and computer readable form sequence listing copies. Applicant(s) are required to submit a computer readable form sequence listing, a paper copy, or CD-ROM for the specification, statements under 37 CFR

Art Unit: 1631

§ 1.821 (f) and (g), if there is a need to list additional sequences in the sequence listing.

Applicant(s) are given the same response time regarding this failure to comply as that set forth to respond to this office action. Failure to respond to this requirement may result in abandonment of the instant application or a notice of a failure to fully respond to this Office Action.

Conclusion

Claims 1-6 are allowable.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213. A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
